## Clinical Librarian & Systematic Review Expert

Goal-oriented professional with comprehensive experience in managing daily library operations and providing instructional/reference services. Adept at possessing thorough understanding of alternative information sources on research outputs, emerging/evolving technology, and digital scholarship initiatives. Instrumental at facilitating individual access to reliable information, engaging actively in library and professional service tasks, and conducting extensive bibliometric analysis. Demonstrated robust communication, time management, collaboration, interpersonal, and problem-solving skills; thriving well across fast-paced environments.

## Areas of Expertise

- Library Planning Activities
- Information Management System
- Literature Screening
- Bibliometric & Program Analysis
- Instructional/Reference Services
- School Policies & Procedures
- Systematic Literature Review
- Effective Communication
- Cross-functional Collaboration

## Professional Experience

### **Kaiser Permanente Regional Offices/Quality, Oakland, CA Librarian Specialist IV, NCAL Region**

**2017 – Present**

Provide comprehensive literature and systematic review services. Lead efficient management of information access. Supervise library operations and administered collection.

- Maintained library resources, database, and materials.
- Ensured compliance with library policies and procedures.
- Assist Leadership in program development.
- Gather data to evaluate instructional performance.

### **San Jose State University, San Jose, CA Lecturer, Department of Anthropology**

**2008 – Present**

Deliver instruction and teaching on subjects, including Anthropology 11: Introduction to Cultural Anthropology, Anthropology 115: Emerging Global Culture, Anthropology 146: Culture/Conflict, and Anthropology 131: Anthropological Theory.

- Contributed to course textbook for publication (Anth 115).
- Developed course for short format online class and prepared courses for transition to online format.
- Gather data to evaluate departmental performance.

### **Notre Dame de Namur University, Belmont, CA Assessment Librarian**

**2014 – 2017**

Evaluated and tracked students' facility usage as well as physical collection. Cooperated with social sciences and partial humanities. Devised assessment methods/tools and evaluated library services, resources, and programs.

- Served as Qualitative Research Expert and engaged in delivering instructional services.
- Drove improvement areas within library's physical and virtual environment.
- Assisted in the evaluation of educational programming at the university.

### **University of California, San Francisco, Fresno, CA Assistant Librarian (20% appointment)**

**2013 – 2016**

Led online/in-person reference services to UCSF Fresno faculty, staff, students, and library users. Instructed on Library's offered program courses and ensured effective delivery.

- Enhanced teaching practices by preparing engaging instructional materials, such as online tutorials via Camtasia.

### **University of California, San Francisco, CA Supervisor: Access Services**

**2012 – 2014**

Engaged proactively in library outreach services to coordinate library services/programs with students, faculty, and staff. Facilitated university through exceptional service delivery. Oversaw activities of circulation staff, ILS administration, collection development, and material preparation.

- Acted as Information and Interlibrary Lending Assistant, while serving as Reserves coordinator in physical/digital.
- Assured in-person/virtual reference and research support and intercampus/interlibrary loan services.
