A. Discussion Item: Student-At-Large Orientation

As a newly recruited Student-At-Large will be present for our meeting, I want to give a short crash course on what Lobby Corps is to lay a baseline of knowledge. This might include but is not limited to basic introductions, a Lobby Corps mission statement, a CSSA overview, a lesions overview, and a summary of our current initiatives.

VIII. New Business

A. Discussion Item: Conversation with Assemblymember Marc Berman (Time Certain: 4:40 PM) **4:40 PM**

Presenter: Maxwell Fairleigh

For this meeting, the Lobby Corps will engage in a constructive conversation on specifically how social media affects the youth's perception of news and politics, as well as some general talk on civic engagement and advocacy. We will be hearing the Assemblymember's perspective and get a rundown on what his office is up to, his initiatives and priorities for the year, and how we can best support him as students.

B. Discussion Item: SJSU Safety Initiative Planning

In this section, I will share the information regarding the campus and its safety plan that I learned in meeting with Dr. French, the dean of students. I also will check-in on the progress made on certain tasks assigned in a task list.

C. Discussion Item: CHESS, Lobbying, and CSSA Discussion

In this section, I'll be going over some details regarding our CHESS and CSSA obligations in the Spring, and will be sharing some information on lobbying.
