A. Lucas College and Graduate School of Business

Discuss these *hypothetical questions*, which may be used with College Deans and Director Paredes

- What challenges did your college face during past harmful or threatening events?
- What support was missing or could have been improved (communication, resources, training, follow-up, etc.)?
- Would a university-wide training (e.g., SJSU training for staff and/or students on emergency response, trauma-informed practices, or communication during crises) be helpful? Why or why not?
- Are there college-specific needs that central administration should be more aware of?
- Any other ideas that you think deans should hear directly from students?

B. Connie L. Lurie College of Education

C. Charles W. Davidson College of Engineering
