- Tuesdays are usually lecture days. Students are expected to have completed the required reading for the current chapter by class time. Lectures will focus on the more difficult issues in the chapter. Students are encouraged to take notes and ask question during the lecture. - Thursdays are generally activity days. Online homework assignments in MindTap are due at class time. Information on in-class activities and due dates will be posted on Canvas. Activities may include group discussions and worksheets designed to enhance students' understanding of the current chapter.
