Make sure to put in the Department acronym (Ex: ENGL or ANTH) before your course number.

If you do not know what courses will be offered, you can leave the field blank or ask your advisor.

You can project into the future and list courses you plan on taking.

Make sure your faculty advisor signs the first page of your major form.

Make sure to list exact transfer credit you've received, where you took the class, and the correct units that were articulated over. Assist.org and SJSU's Articulation page are great resources. If you have any questions, please ask your advisor.

Courses can be waived or substituted in certain situations. Work with your faculty advisor, if you believe this applies to you.

If you have 90 "completed" units, you can apply for graduation.
