Course Description

English 1B is the second course in SJSU's two-semester lower-division composition sequence. Beyond providing repeated practice in planning and executing essays, and broadening and deepening students' understanding of the genres, audiences, and purposes of college writing, English 1B differs from English 1A in its emphasis on persuasive and critical writing (with less attention paid to the personal essay), its requirement for fewer but longer essays, and its introduction to writing informed by research. Students will develop sophistication in writing analytical, argumentative, and critical essays; a mature writing style appropriate to university discourse; reading abilities that will provide an adequate foundation for upper-division work; proficiency in basic library research skills and in writing papers informed by research; and mastery of the mechanics of writing.

Prerequisites: Passage of Written Communication 1A (C or better) or approved equivalent.

Course Goals and Student Learning Objectives

Building on the college-level proficiencies required in English 1A, students shall achieve the ability to write complete essays that demonstrate advanced proficiency in *all* of the following:

- Clear and effective communication of meaning.
- An identifiable focus (argumentative essays will state their thesis clearly and will show an awareness, implied or stated, of some opposing point of view).
- An appropriate voice that demonstrates an awareness of audience and purpose.
- Careful attention to review and revision.
- Effective and correct use of supporting materials, including independent research (e.g., quoting, paraphrasing, summarizing, and citing sources);
- Effective analysis, interpretation, evaluation, and synthesis of ideas encountered in multiple readings.
- Effective organization and development of ideas at paragraph and essay levels.
- Appropriate and effective sentence structure and diction.
- Command of conventional mechanics (e.g., punctuation, spelling, reference, agreement).

Student Learning Objectives:

SLO 1: Students shall write complete essays that demonstrate the ability to refine the competencies established in Written Communication 1A.

SLO 2: Students shall write complete essays that demonstrate the ability to use (locate, analyze, and evaluate) supporting materials, including independent library research, and identify key concepts and terms that describe the information needed.

SLO 3: Students shall write complete essays that demonstrate the ability to select efficient and effective approaches for accessing information utilizing an appropriate investigative method or information retrieval system.

SLO 4: Students shall write complete essays that demonstrate the ability to synthesize ideas encountered in multiple readings.

SLO 5: Students shall write complete essays that demonstrate the ability to incorporate principles of design and communication to construct effective arguments.

SLO 6: Students shall write complete essays that demonstrate the ability to identify and discuss issues related to censorship and freedom of speech.

Classroom Protocol

General: Students are expected to arrive on time having completed all reading assignments and homework. Failure to do so will negatively impact the student's participation grade.

Conduct: Real growth and learning necessitates a safe and respectful environment. Students are encouraged to share opinions and participate in debate. However, students must support their claims with evidence and must respect their classmates. Any behavior that is inappropriate or constitutes a personal attack will not be tolerated. Students engaging in unacceptable behavior will be asked to leave class for the day and will receive no credit for class participation that day.

Electronics Policy: Students are welcome to bring laptops to class in order to take notes. Students are NOT to use laptops for social media, email, etc. in class. Social media use will result in a strict no-electronics policy. All cell phones must be silenced and put away for the duration of class.

Revision: Students may revise an essay, using the instructor's remarks to correct their mistakes for up to 1/2 letter grade increase. The student has one week to complete this process.

Late Work: Except in documented emergency situations, late work will not be accepted. All work is due at the beginning of class on the due date.
