IMPORTANT INFORMATION ABOUT COMPLETING THE STEPS TO ENROLLMENT

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented. Refer to MySJSU for specific deadlines and tasks that need to be completed to ensure your enrollment.

STAY COMMITTED TO THE PROCESS

There are consequences if you miss deadlines. Deadlines are very important and are in place to help you through the enrollment process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To prevent this from happening, sign in to MySJSU (one.sjsu.edu) every few days and thoroughly read any messages, To Do List items, or posted deadlines and take the requested action as soon as possible.

Congratulations on Your Admission!

We are excited to welcome you to San José State University, the founding campus of the California State University (CSU) system. Please know you still have steps to take to stay admitted and officially enroll for Fall 2023. This guide includes detailed information to help you complete each of the required steps.

Frequently Asked Questions

What if I do not complete required courses or miss a deadline?

You will have your admission to SJSU revoked and your registration canceled. In particular, failure to submit your high school transcripts will result in your application being withdrawn, even if you have signed up for housing, attended orientation or registered for classes.

What if I am planning to take courses required for admission during the Summer 2023 term?

You may not use coursework from the Summer 2023 term to complete admission requirements.

What if I want to take the Fall semester off; can I defer admission to another term?

No, your admission offer is good for the Fall 2023 term only. You must attend at least one course during the Fall 2023 semester to maintain your admission. If you do not enroll in courses during the term of your admission and wish to be admitted for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

Can I change my major?

Because SJSU is an impacted campus, change of major cannot take place prior to the start of the term and is never guaranteed even after admission to SJSU. If you are Undeclared, you will receive more information about declaring your major during orientation.

Determine First Year Writing and Math Course Placement

REFLECTION ON COLLEGE WRITING INFORMATION

DEGREE PROGRAM INFORMATION

catalog.sjsu.edu

COLLEGE OF SCIENCE, ENGINEERING AND BUSINESS EXAM INFORMATION

sjsu.edu/math/calculus

DEPARTMENT EXAMS (IF REQUIRED)

To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at catalog.sjsu.edu

To facilitate appropriate first-year course placement, the CSU evaluates your academic preparation in two areas: written communication and math/quantitative reasoning.

The evaluation takes into account several factors, including overall grade point average, mathematics grade point average, completed terms of secondary coursework, grades in certain senior-year classes, the Reflection on College Writing, and scores on standardized tests such as the SAT, ACT, CAASPP/EAP, CLEP, Advanced Placement, Advanced Level, Advanced Subsidiary, and International Baccalaureate examinations.

Though SJSU will not consider SAT/ACT scores in our evaluation of your record for admission, please submit any available official SAT/ACT scores as they could help determine your first-year course placement.

First Year Writing Course Placement

Freshmen entering SJSU will complete an online Reflection on College Writing exercise to explore writing at SJSU and to choose the course they need. The online exercise is offered through Canvas (SJSU's online course tool). Be alert for emails and MySJSU messages about the Reflection on College Writing. To ensure that you will be able to register for your first-year writing course during Sparta Camp (Frosh Orientation), complete all modules in your Reflection on College Writing at least two weeks prior to your orientation session. Messages and emails will be posted if there are sections that are not fully complete; be sure to monitor MySJSU and your @sjsu.edu email account. For more information about the Reflection on College Writing, please visit sjsu.edu/english/frosh

First Year Math Course Placement

Your math placement is dependent upon your major and your enrollment category. You can confirm your major by reviewing your admission letter. To determine your math course placement and whether you may need to participate in preliminary coursework this summer, please complete both of the following:

- Determine if your major requires Calculus by viewing the Majors Requiring Calculus (STEM) list at sjsu.edu/supportedinstruction/first-year-course-placement/math-quantitative-reasoning
 - If your major requires Calculus, please review the Precalculus Proficiency Assessment section below
- AND-
- Identify your math enrollment category by following the instructions at sjsu.edu/supportedinstruction/first-year-course-placement/math-quantitative-reasoning

Precalculus Proficiency Assessment

If your major requires calculus, you will be required to take the Precalculus Proficiency Assessment (PPA) unless:

- **You have earned a three or better on the AP Calculus Exam.** Request to have the appropriate testing agency send your official score report to SJSU as soon as it is available.)

-OR-

- **You have earned a “C-” or better in a transferable Pre-Calculus level course at a community college.** (Send us your official transcript reflecting this work as soon as possible.)

To register for the PPA, please visit sjsu.edu/testing/tests/sjsu-exams/precalculus-assessment. Students requesting testing accommodations due to disability limitation(s) must register with the Accessible Education Center at least one month prior to testing. Register online at sjsu.edu/aec/students/register-with-aec

For details, exemptions, and other criteria visit sjsu.edu/math/calculus

If you took the Calculus AP exam in high school and have not yet sent us your scores, please contact the Testing Office at testing-office@sjsu.edu to determine your next steps.

If you feel that your assigned mathematics enrollment category is not accurate, you may submit an appeal. For your appeal to have merit, it must bring to light new or missing information that was not considered in the original determination. Transfer coursework submitted after the transcript deadline or test scores sent after the official test score deadline are the basis for an appeal. For more information, please refer to sjsu.edu/supportedinstruction/appeals

COVID-19 Vaccination Requirement

The deadline for incoming Fall 2023 students to complete their two-step COVID-19 self-certification requirement is **May 15, 2023**.

Per California State University (CSU) policy, students, faculty and staff must be fully vaccinated against COVID-19 if they are accessing campus facilities at any university location across the 23 campuses. Individuals are considered fully vaccinated after receiving all doses of a CDC-recommended COVID-19 vaccine, including booster shots. The CSU's COVID-19 vaccination policy will allow medical and religious exemptions. For updated information on COVID-19 vaccine requirement policy, please visit the Health Advisories website at sjsu.edu/healthadvisories

Submit Proof of Vaccination

You must complete both of the following steps to meet the May 15, 2023 deadline for compliance.

Step 1: Complete the COVID-19 Vaccine Self-Certification form in MySJSU.

You will be asked to certify your current vaccination status or indicate if you qualify for a religious or medical exemption. Students requesting a religious exemption can upload their supporting documentation as an attachment on the COVID-19 Vaccine Self-Certification form. Please visit sjsu.edu/medical/covid19/covid-vaccine.php to download a copy of the religious exemption form.

Step 2: Submit proof of COVID-19 vaccination in the Student Health Center Patient Portal.

You will need to submit proof of your COVID-19 vaccination record and/or request for a medical exemption by signing in to the Student Health Center Patient Portal at sjsuportal.pointnclick.com

Proof can include a scanned/photocopy of your vaccine card or a record containing all of the following: full name, date of birth, manufacturer/brand of vaccine, vaccine lot number, administration date and site. Please ensure all information is visible and legible in English to prevent delays in verification.

The status will read "awaiting review" in the Medical Clearances section once submitted.

Additional Required Immunizations

In addition, as a new student, you will also need to provide proof of the following immunizations prior to the first day of classes:

- Measles, Mumps and Rubella Vaccine
- Varicella (Chicken Pox Vaccine)

Coming from Outside the U.S.

You will receive a U.S. Immigration Form I-20 directly from San José State in the mail with your letter of admission. To start the process to obtain an F-1 student visa, first complete the I-901 form online through SEVIS at ice.gov/sevis/i901 then pay the SEVIS fee and print out the receipt. - SJSU admission letter
- Your I-20 (Certificate of Eligibility) form
- Proof (receipt) of SEVIS payment
- Proof of financial support
- Other supporting documents, as indicated on the website of the U.S. Embassy or Consulate you will be visiting

All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Third Party Sponsors

If a Third Party Sponsor, such as a foreign government agency, a business and/or educational institution, agrees to sponsor you by paying your tuition and fees, please get an authorization letter from the sponsor stating how much of your tuition they will cover and for which semesters. Submit the authorization to SJSU's Bursar's Office, Attention: Third Party Technician and retain a copy of the letter for your records.

The Bursar's Office will invoice the sponsor as appropriate for tuition and fees after the add/drop period as long as the sponsored student is registered and has submitted a current letter of authorization.

The initial payment includes campus mandatory fees, optional Student Involvement and Representation (SIRF) fee, First Day Solutions charges and miscellaneous class fees. These fees must be paid by your payment due date and are not included in the installments.

Eligible charges that can be divided into the installment payments include tuition fees, non-California resident fees, and graduate professional business program fees. A student must have a minimum of \$1,000 in eligible charges to qualify for the payment plan.

Visit sjsu.edu/bursar/payment-refunds/installment-payment-plan for more information.

International Wire Transfers

International students can now make payments via international wire transfer. San José State University has partnered with Flywire to streamline the tuition payment process for our international students. Flywire offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or Flywire for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule.

Field Trip Fees

A few courses have additional field trip fees ranging from \$11 to \$52.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192.

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, log in to MySJSU, scroll to Finances and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar/payment-refunds/refunds

Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to \$900 per semester. For more details visit sjsu.edu/bursar/our-services/spartan-bookstore-voucher

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Step 11

Purchase Health Insurance

LEARN HOW TO PURCHASE HEALTH INSURANCE

sjsu.edu/iss/resources/health-insurance

SJSU requires all students to have medical insurance, and all international students are required to purchase the SJSU health insurance coverage prior to registering for classes. You can register for the mandatory SJSU health insurance online. This is required even if you already have insurance coverage in your home country, from family, or other sources. Learn how to enroll at sjsu.edu/iss/resources/health-insurance

You can buy your insurance for the year, or for a semester at a time. If you have questions about purchasing your insurance, contact International Student and Scholar Services at international-office@sjsu.edu or 408-924-5920.

INTERNATIONAL STUDENT GLOBAL SPARTAN WELCOME

sjsu.edu/isss/events/global-welcome

Students who will be attending SJSU on an F-1 Visa are required to attend Global Spartan Welcome (GSW), a program specifically for international students. During the Global Spartan Welcome, you will receive information on how to maintain your F-1 status and other useful information to help you adjust to your new life at SJSU. More details can be found on the Global Spartan Welcome page on the ISSS website and will be sent to you through your MySJSU and sjsu.edu email account.

Please check your email regularly for communication from ISSS regarding the required documents and information to complete your immigration check-in and maintain your F-1 status. The immigration document check-in process is a federal requirement.

TITLE IX INFORMATION

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog (catalog.sjsu.edu) to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Students with Disabilities

The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: consideration for priority registration, note takers, sign language interpreters/captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website (sjsu.edu/aec) for more information.
