If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU for the term in which you applied. If you have an extreme circumstance that may cause you to miss one of our deadlines, contact [international.admissions@sjsu.edu](mailto:international.admissions@sjsu.edu) prior to the deadline date.

## Coursework Outside U.S.

### Very Important!

When you fill out the admission application at [CalState.edu/Apply](https://calstate.edu/Apply), you must include all high schools and colleges/universities attended, including those that are outside of the U.S. Failure to report an institution could negatively affect our ability to verify your eligibility for admission.

# Freshman Academic Requirements

## General Requirements

**You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:**

1. Earn the equivalent of a U.S. 3.0 grade point average (GPA) or an average of “B” grades. If required, SJSU will convert your international GPA to a U.S. GPA in order to evaluate your application. Please note that some majors require higher GPAs than others.
2. Successfully complete three years of college preparatory mathematics with a minimum grade of “C-” or better.
3. Submit official test scores from an approved English language proficiency test (TOEFL, IELTS, PTE or Duolingo). Scores must meet minimum requirements for your major and must be sent directly to SJSU from the testing institution.
4. Submit official secondary school (high school) transcripts, which must include the completion/graduation date.

## Eligibility Index (EI)

The minimum Eligibility Index is typically calculated using a combination of SAT/ACT scores and your GPA. Because the requirement to submit official SAT/ACT scores is suspended for the Fall 2022 admission cycle, applicants will be eligible for admission consideration according to the following:

**Residency:** Nonresident of California

**Minimum GPA Requirement (A-G coursework):** 3.00 or greater

Applicants below these GPA minimum requirements will not be considered for admission at SJSU.

## Impaction Criteria (for Freshmen)

**Meeting Minimum Admission Requirements Does Not Guarantee Admission.**

Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements for CSU eligibility does not guarantee admission to San José State.

Freshman applicants who meet the minimum academic requirements will be ranked in each major and admitted to meet the enrollment capacity of their chosen major.

Applicants who have met the minimum CSU eligibility requirements will be ranked in each major by an eligibility index primarily based on the self-reported GPA earned at the time of application. SJSU's eligibility index will continue to include preference to local applicants.

For Fall 2022, SJSU will also consider additional factors in the impaction process. Specifically, additional consideration will be given to applicants who qualify for the Cal State Apply fee waiver; are the first in their family to graduate from a four-year college (first-generation); and/or are a U.S. veteran.

Applicants to majors in the College of Engineering will be ranked using a modified eligibility index that will take into consideration applicants' math GPA in combination with the factors listed above.

Please see [sjsu.edu/admissions/impaction](https://sjsu.edu/admissions/impaction) for details about this process for Fall 2022.

## Additional Requirements

If you attended a high school with American accreditation, you must meet the domestic “Freshman Admission Requirements” at [sjsu.edu/admissions/freshman/admissions-requirements](https://sjsu.edu/admissions/freshman/admissions-requirements) as SJSU will evaluate your application based on the academic requirements outlined on this page.

If you have taken “O” level examinations, SJSU requires that five subjects are passed in one sitting, including Math and English (English as a Second Language, or ESL, is not acceptable); if these requirements regarding “O” level examinations are met, the English Language proficiency test will be waived. Certified copies of “O” level examinations must be sent directly to SJSU from the testing service or attested by your school; scores sent by the applicant will not be accepted.

If you have taken “A” level and/or “AS” level examinations, SJSU may award college credit if you pass these exams with a “C” or higher. SJSU must receive “A” and “AS” level examination scores directly from the Board of Examinations. Scores sent by you or certified statements of exam results will not be accepted.

If your studies were in the International Baccalaureate (IB curriculum) program, please submit your school transcripts for evaluation. You will be required to complete four years of English and three years of mathematics and earn a passing score of “C-” or higher. For those earning scores of 4 or higher on the IB Higher Level exams, SJSU may award college credit.

## English Language Proficiency Requirement

**To satisfy the English language proficiency requirement, undergraduates may take any one of the following tests:**

- Test of English as a Foreign Language (TOEFL)
- International English Language Testing System (IELTS)
- Pearson Test of English (PTE)
- Duolingo

Minimum Proficiency	Internet (iBT)	Paper
TOEFL (Engineering majors)	80	550
TOEFL (All other majors)	61	500
IELTS	6.0	N/A
IELTS (Engineering majors)	6.5	N/A
PTE	44	N/A
Duolingo (All majors)	95	N/A

# Transfer Academic Requirements

## Lower Division Transfer

(applicants who have earned less than 60 semester/90 quarter transferable units)

You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:

- Must have earned less than 60 semester/90 quarter transferable units.
- Meet all Freshman Admission Requirements. (Please refer to the Freshman Admission Requirements section).
- Earn a grade point average (GPA) of 2.0 or greater in all U.S. college/ university work and a “B”/3.0 in any international coursework.
- Submit official test scores from an approved English language proficiency test (TOEFL, IELTS, PTE), or Duolingo) unless exempt. Scores must meet minimum requirements for your major and must be sent directly to SJSU from the testing institution.
- Be in good standing at the last institution you attended (for example, not disqualified).
- Meet impaction criteria for your major.

## Upper Division Transfer

(applicants who will have earned 60 semester/90 quarter transferable units by the end of the Spring 2022 term)

You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:

- Successfully complete the equivalent of 60 semester/90 quarter transferable units. SJSU does not accept applications from individuals seeking a second bachelor’s degree; please consider applying to a graduate level program.
- Pass the four basic skills courses equivalent to those taken at a U.S. college or university with a grade of “C-” or better (see list below). The four basic skills courses and a minimum of 60 semester /90 quarter transferable units must be completed by the end of the spring term prior to fall admission. Summer coursework will not be considered to meet these requirements.

A1 – Oral Communication (Course must have been taught in English; CSU transferable A1 online courses are accepted)

A2 – Written Composition (English)

A3 – Critical Thinking (Logic)

B4 – Mathematics/Quantitative Reasoning (Intermediate Algebra as prerequisite)

- Earn a grade point average (GPA) of 2.0 or greater in all U.S. college/ university work and an “above average GPA” in any international coursework. Due to impaction, a 2.0 GPA does not guarantee admission.
- Be in good standing at the last institution you attended (for example, not disqualified).
- Submit official test scores from an approved English language proficiency test (TOEFL, IELTS, PTE or Duolingo) unless exempt. Scores must meet minimum requirements for your major and must be sent directly to SJSU from the testing institution.
- Meet impaction criteria for your major.

## Impaction Criteria (for Transfers)

Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction,” and it means that meeting the minimum academic requirements does not guarantee admission to San José State. CSU eligible transfer applicants will be ranked in each major based on their self-reported GPA.

### Majors with (Program-Specific) Preparation Courses

Select majors (degree programs) give preference to applicants who have completed program-specific preparatory courses. These programs are noted in the “Degrees” section and will give preference to students based on a combination of their self-reported GPA and the completion of program-specific, lower division coursework.

For example, if two applicants to the same program have the same GPA, preference will be given to the applicant who has completed the greater number of program-specific preparation courses. Similarly, if two applicants have completed the same number of program-specific preparation courses, preference will be given to the applicant with the higher GPA.

The program-specific courses that will be considered are listed at [sjsu.edu/admissions/impaction](https://sjsu.edu/admissions/impaction)

### Last Year’s Thresholds

To view last year’s impaction GPA thresholds, visit [sjsu.edu/admissions/impaction](https://sjsu.edu/admissions/impaction)

### Lower Division Transfer

Lower Division Transfer students are held to Freshman impaction criteria. Learn more at [sjsu.edu/admissions/impaction](https://sjsu.edu/admissions/impaction)

### English Language Proficiency Requirement

To satisfy the English language proficiency requirement, undergraduates may take any one of the following tests:

- Test of English as a Foreign Language (TOEFL)

# Spartan Voices

To learn more about how students are transformed at SJSU, visit [sjsu.edu/transform](https://sjsu.edu/transform)

SJSU instilled the confidence in me that a career through writing was possible. It was within reach. Coming from the East Side San Jose where access to resources are sometimes harder to come by—I became immersed into a different world on campus. The professors from the School of Journalism and Mass Communications worked tirelessly to help me graduate and saw the potential before I even did.

**David Ngô**  
*'19 Public Relations*

My time at SJSU was a great transformation. As a transfer student from the U.S. Military Academy at West Point, I arrived in San José deflated and depressed. I found positivity and inspiration within the Xi Gamma Chapter of Omega Psi Phi Fraternity. After graduation I pursued coaching... with the life mission of 'encouraging students to have a dream and admonishing them to have courage through adversity.' My time at SJSU, though full of trials and tribulations, was the greatest time of my life.

**Carl Henderson**  
*'04 African American Studies*

SJSU allowed me to make mistakes, learn from my experiences and expanded my own understanding of my horizons. My passions to serve communities who would have otherwise been unheard, silenced or ostracized were also cemented through the service learning opportunities granted at SJSU. I am forever grateful for the time that I spent at SJSU! Go Spartans!

**Isra Ahmad**  
*'13 Health Science*

SJSU set me on a path towards a rewarding career. SJSU introduced me into nursing. I was able to gain a strong foundation in patient care. Now I am in a position to take on students at my clinical site and help patients improve their mental health.
