

**SJSU** SAN JOSÉ STATE  
UNIVERSITY

## INTERNATIONAL GATEWAYS

Helping students succeed since 1975

# Path to SJSU Degree Program

# What is the Path to SJSU Degree program?

The Path to SJSU Degree program is designed for international students who are academically qualified to apply for admission to San José State University but have an insufficient English proficiency score.

The program is an opportunity for you to have your academic background evaluated by the SJSU admissions, receive a Conditional Eligibility letter to an SJSU degree program, and improve your English to meet the SJSU English proficiency requirements.

## Benefits of Path to SJSU Degree

### One-Step Application

- One application to both conditional eligibility and English program
- Easier submission of academic documents

### Conditional Eligibility

- For undergraduate and graduate programs
- WES evaluation waiver for graduate applicants

### TOEFL ITP Tests

- Free or at low cost throughout the year
- Scores accepted by most SJSU programs

### Advising Support

- Unlimited 1-on-1 advising sessions
- Assistance with Personal Statement and recommendation letters

## Steps from International Gateways to SJSU

### Your Path to an SJSU Degree

*Please note that receiving conditional eligibility does not guarantee acceptance to a degree program at SJSU. Full admission is contingent on meeting additional requirements listed on SJSU admissions website.*

## Student Testimonials

### Nawaf Alhaqbani

Undergraduate Conditional Eligibility student  
B.S., Industrial & Systems Engineering, SJSU

Country: **Saudi Arabia**

Current Job Position: Treasury Sales Specialist, Al-Rajhi Bank

**Being a student at International Gateways has helped me in learning not only English, but also valuable skills such as critical thinking and public speaking.** I would definitely study at International Gateways if I had the chance again because it changed my whole life and prepared me for college life.

### Reine Johansen

Graduate Conditional Eligibility student  
M.S., Aerospace Engineering, SJSU

Country: **Cameroon**

Current Job Position: Aerospace System Engineer, Blue Origin

I applied for Conditional Eligibility to start my M.S. in Aerospace Engineering. **The advisors gave me valuable advice regarding graduate school and work experience.**

### Shuhao Chen

Graduate Conditional Eligibility Student  
M.S., Electrical Engineering, SJSU

Country: **China**

Current Job Position: Senior Software Engineer, Tesla

I came to study English with Conditional Eligibility. **The courses helped me to improve my English quickly. The advisors were all very caring, and they guided me step-by-step during my graduate application process.**
