What does it mean to study at SJSU?

It means launching your career in Silicon Valley—the epicenter of tech, global innovation, and opportunity.

Silicon Valley is Your Classroom Studying at SJSU isn't just about lectures and textbooks. It's about learning from trailblazing faculty—scientists, entrepreneurs, and National Science Foundation award winners—driving over 500 sponsored research projects.

Future-Proof Career Study and intern where the magic happens- alongside industry giants like Google, Meta, and Tesla, etc. with direct connections to 45+ Fortune 500 companies. If you want to code the future, build the next billion-dollar breakthrough, or make a real impact in the world, this is the place to be and your dream opportunity is just a handshake away.

Diversity That Drives Innovation With international students from 100+ countries, diversity is not just a buzzword; it's the heartbeat of everything at SJSU. It's a global ecosystem primed with creativity, new ideas, and diverse perspectives- and you are going to love it.

**SJSU doesn't just prepare
you for the future—
*it empowers
you to lead it!***

In a world where AI is reshaping everything, you don't want to be anywhere else but here—right in the heart of Silicon Valley.

Welcome to San José State University

SJSU has always been a place of firsts: the first campus in the country's largest public higher education system, the first public university in the West, and the first AI program in the CSU, all in the heart of Silicon Valley—a region leading global technological innovation.

And let's not forget California's magic—majestic mountains, the endless Pacific Ocean, iconic attractions, and year-round sunshine.

Join SJSU, because that's where your legendary era begins.

- TikTok
- Visa
- WMH Corporation

Scholarships

At SJSU, we believe excellence and inclusion go hand in hand and we want to level the playing field by offering the Global Spartan Scholarship to enrolled international students.

66

The Global Spartan Scholarship didn't just lighten my financial load—it transformed my journey from Vietnam to California and opened doors at SJSU. From mastering English to leading as Vice President of the Generation of Aspiring Leaders (GOAL) Club, it empowered me to grow, excel, and step into the world as a confident Business Analytics graduate.

—An Huynh, Vietnam, BS Business Analytics
