Submission of Assignments to Canvas™

Students are required to submit critical thinking assignments to Canvas. It is your responsibility to submit documents to Canvas that are in common formats so that the documents can be opened and processed by Canvas. Failure to submit documents in an acceptable format may result in a zero for that assignment. Students will be sent a message through Canvas if the document cannot be opened or processed. If this continues to be a problem, students may receive a zero without further notice for assignments submitted in formats that cannot be opened and processed.

Embedded in Canvas is **Turnitin.com**, which generates an originality report. Each originality report is reviewed to evaluate for plagiarism. Documents that cannot be processed through turnitin.com cannot be graded. Documents that cannot be fully processed may result in a zero for that assignment.

Grading Policy

The class assignments will have a point total that will be included in the instructions for the activity or assignment, including due dates and late policies. All class work have due dates, please plan accordingly. Students failing to complete their assignments by these deadlines will receive a zero for that time.

Students are evaluated based on Papers, Exams and Participation. Point totals can be tracked in the grades tab in Canvas™. The letter grades described below will be assigned based on the percent of the total points.

Papers (35%)

Papers make up 35% of the student's grade. Two APA 7th Edition written assignments are required during the semester. Each assignment involves library research analysis of assigned topic, integration of information covered in the course culminating in a well-written six to eight (6-8) page paper.

All papers must be submitted to Canvas™ in the designated folder on or before the due date. Please note the due date. Late papers will be docked 4 points for the first day late and 1 point for each day after (including weekends and holidays). Papers more than two weeks late will not be accepted without prior approval. Each paper will be weighted equally. Papers are graded on a grading rubric (provided).

Both papers require literature review (i.e. library research) and proper APA 7th Edition format and citation. Students are expected to be able to write at an upper division level. Students are strongly encouraged to use the writing centers and resources on campus if they feel that their writing ability and/or understanding of APA 7th Edition style may impact their performance on these papers. Appointments should be made in advance to allow enough time to make recommended changes prior to the due dates. A link to Purdue OWL and Brigham Young University and Writing Center is provided in "Course Support Materials" in the Modules tab. This link provides information about formatting, citations and referencing.

Two writing assignments require students to demonstrate their understanding of the course content learning outcomes (CLO'S) 1-6. Other experiences that develop mastery of the outcomes include small group discussions, exercises analyzing case vignettes, documentary film reviews, class discussions, and an observation in a dependency, family, or criminal court.

ASSIGNMENT No. 1: Child Maltreatment (CM)

Full assignment and grading rubrics will be provided for both assignments.

ASSIGNMENT No. 2: Intimate Partner Violence (IPV)

The second paper requires researching and contacting a specialized program/court in family violence.

Examinations (35%)

Quizzes

Six quizzes to be completed by the designated due date. Students are encouraged to take all quizzes as a way to stay current with course material throughout the course and receive feedback on comprehension of key concepts. See the course schedule for quiz dates.

Final Exam

A cumulative final exam will be given on the assigned final exam day. The exam will be cumulative and will cover content from assigned readings and lecture material. A study guide will be provided. There will be a review for the Final. The cumulative score of the online quizzes and the final will make up **35%** of the student's grade.

Participation (30%)

- 1. Assignments:** Assignments encourages students to demonstrate their understanding of the subject matter and concepts presented in the modules.
- 2. Discussion:** This is a participatory class and student's participation is required to facilitate student dialogue, an important process for learning and the integration of complex social issues. Class discussions with peers are to promote a professional and considerate response, while validating the perspectives of our fellow peers. Remember we all learn from each other. Your presence, and thoughts are validated and encouraged.

Grades are calculated based upon the scale below:

98.0 - 100% = A+	78.0 - 79.9% = C+
93.0 - 97.9% = A	73.0 - 77.9% = C
90.0 - 92.9% = A-	70.0 - 72.9 % = C-
88.0 - 89.9 % = B+	68.0 - 69.9 % = D+
83.0 - 87.9 % = B	63.0 - 67.9% = D
80.0 - 82.9% = B-	60.0 - 62.9% = D-
	00.0 - 59.9% = F

NOTE that [University policy F69-24](http://www.sjsu.edu/senate/docs/F69-24.pdf) at <http://www.sjsu.edu/senate/docs/F69-24.pdf> states that “Students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class. Attendance per se shall not be used as a criterion for grading.”
