

# Travel the Globe teaching English

SJSU Linguistics & Language Development

## Undergraduate TESOL Certificate

Are you interested in traveling abroad to teach English? Would you like to work with immigrant communities or foreign nationals? The SJSU Undergraduate TESOL Certificate may be for you!

The Undergraduate TESOL Certificate is for SJSU students who have not yet completed the BA. In our program, you will learn about English structure, how people learn first and second languages, different factors that affect second language learning, and much more. You'll also gain an understanding of societal and civic responsibilities while developing diverse and global perspectives.

Travel the globe with TESOL!
