

Introduction to Python Programming and Machine Learning

Instructor: Prof. Hiu Yung Wong, EE, SJSU
29 Jun – 1 July, 2020, 9:00am to 12:00pm
Zoom Meeting

The workshop will introduce python programming and machine learning to beginners. The students will learn python programming basics using Google Co-lab. Machine learning will be introduced and students will modify existing code to understand the essence of the neural network. After this workshop, the students will be ready to learn more advanced python programming and machine learning by themselves.

Registration is free, please email: hiuyung.wong@sjsu.edu by June 24, 2020.

Requirements:

1. Internet Access + Microphone
2. Gmail Account to access Google Co-lab
3. Zoom Meeting

Instructor Information: Hiu Yung Wong, Ph.D.

Hiu Yung Wong received his Ph.D. degree in Electrical Engineering and Computer Science from the University of California, Berkeley in 2006. Currently, he is an Assistant Professor in the EE department, San Jose State University. From 2006 to 2009, he worked as a Technology Integration Engineer on 45/32nm NOR flash memory in Spansion. From 2009 to 2018, he was a Senior Staff AE in TCAD simulation in Synopsys. He is a senior member of IEEE.
