

**Be Aware:** Scammers can manipulate caller ID. These calls may falsely appear to come from the police, the court, and government agencies.

You will **NEVER** be asked to use cryptocurrency, gift cards, or money orders to:

- Pay Bail
- Remove a Warrant
- Pay a Fine
- Avoid Deportation or Arrest

Scammers may threaten you with arrest, provide forged documents, or demand you stay on the phone for a "mobile escort."

**They are lying to you. Don't be the next victim.**

**Just hang up. It's a SCAM.**
