COLLEGE OF HUMANITIES AND THE ARTS

During the 2017-2018 academic year, **21 reports** were filed regarding violations of the Academic Integrity Policy. **7 reports** were classified as cheating and **14 reports** were classified as plagiarism. Figure 1 captures the total number of reports organized by the subsections.

Faculty impose academic sanctions and determine which cases are reviewed for violations of the Student Conduct Code (i.e., 3.1.7 Recommendation of additional administrative sanctions). Student Conduct and Ethical Development will initiate the student conduct process beyond the faculty designation in limited circumstances (i.e., when a student has prior violations of the Academic Integrity Policy and when faculty impose 3.1.6 Failure in the course). Figures 2 captures the number of reports referred for additional administrative sanctions. Figure 3 displays the academic sanctions imposed while Figure 4 displays the administrative sanctions imposed. *Note: two or more academic and administrative sanctions may be assigned in one case.*

During the 2017-2018 academic year, **76 reports** were filed regarding violations of the Academic Integrity Policy. **18 reports** were classified as cheating and **58 reports** were classified as plagiarism. Figure 1 captures the total number of reports organized by the subsections.

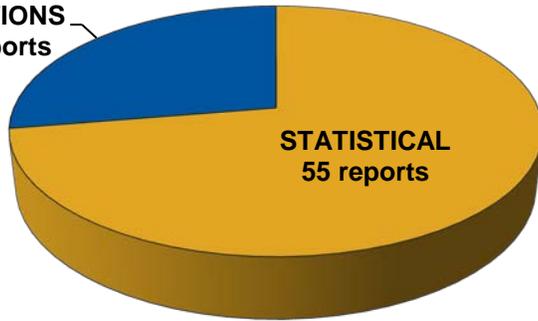

Faculty impose academic sanctions and determine which cases are reviewed for violations of the Student Conduct Code (i.e., 3.1.7 Recommendation of additional administrative sanctions). Student Conduct and Ethical Development will initiate the student conduct process beyond the faculty designation in limited circumstances (i.e., when a student has prior violations of the Academic Integrity Policy and when faculty impose 3.1.6 Failure in the course). Figures 2 captures the number of reports referred for additional administrative sanctions. Figure 3 displays the academic sanctions imposed while Figure 4 displays the administrative sanctions imposed. *Note: two or more academic and administrative sanctions may be assigned in one case.*
